

PUBLIC LAW 104-201—SEPT. 23, 1996 110 STAT.
2591

work information, appointment information, and information

regarding the existence of third-party payers.

(b) AMENDMENT OF EXISTING CONTRACTS.—To assure a single consistent source of information throughout the health care delivery system of the uniformed services, the Secretary of Defense shall amend each TRICARE program contract, with the consent of the TRICARE program contractor and notwithstanding any requirement for competition, to require the contractor:

- (1) to use software furnished under the Composite Health Care System to record military treatment facility provider appointments; and
- (2) to record TRICARE program enrollment through direct use of the Composite Health Care System software or through the uniform two-way interface between the contractor and military treatment facilities systems, where applicable.

(c) DEFINITION OF TRICARE PROGRAM.—For purposes of this section, the term "TRICARE program" means the managed health care program that is established by the Secretary of Defense under the authority of chapter 55 of title 10, United States Code, principally section 1097 of such title, and includes the competitive selection of contractors to financially underwrite the delivery of health care services under the Civilian Health and Medical Program of the Uniformed Services.
